

CHAPTER 4

APPLICATIONS, WAITING LIST AND TENANT SELECTION

INTRODUCTION

When a family wishes to receive Section 8 HCV assistance including Project-Based Voucher assistance (see Chapter 16 for more information), the family must submit an application that provides the AHA with the information needed to determine the family's eligibility. HUD requires the AHA to place all families that apply for assistance on a waiting list. When HCV assistance becomes available, the AHA must select families from the waiting list in accordance with HUD requirements and AHA policies as stated in the administrative plan and the annual plan.

The AHA is required to adopt a clear approach to accepting applications, placing families on the waiting list, selecting families from the waiting list and must follow this approach consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the AHA to receive preferential treatment. Funding earmarked exclusively for families with particular characteristics may also alter the order in which families are served.

HUD regulations require that all families have an equal opportunity to apply for and receive housing assistance, and that the AHA affirmatively furthers fair housing goals in the administration of the program [24 CFR 982.53]. Adherence to the selection policies described in this chapter ensures that the AHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and AHA policies for taking applications, managing the waiting list and selecting families for HCV assistance. The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how the AHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the AHA's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process the AHA will use to keep the waiting list current.

Part III: Selection for HCV Assistance. This part describes the policies that guide the AHA in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person or virtual interviews will be used to ensure that the AHA has the information needed to make a final eligibility determination.

PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW

This part describes the policies that guide the AHA's efforts to distribute and accept applications, and to make preliminary determinations of applicant family eligibility that affect placement of the family on the waiting list. This part also describes the AHA's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE

Notification of Actions

Any family that wishes to receive HCV assistance or to occupy a PBV unit must apply for admission to the program. HUD permits the AHA to determine the format and content of [HCV-its](#) applications, as well as how such applications will be made available to interested families and how the AHA will accept applications.

Applications or pre-applications (collectively called applications) are taken to compile a waiting list. Due to the demand for housing in the Housing Authority's jurisdiction, the Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list. The Housing Authority also may choose to use a lottery system for adding only a specific number of Applicants to the waiting list. In all waiting list outreach efforts, the AHA will specify the application selection method in the outreach material and on the AHA web site.

The application constitutes the basic record of each Applicant for admission. Each Applicant is required to supply the information requested on the application form and to sign the application certifying the accuracy of the information provided. Applications missing one or more ~~of~~-required fields will not be considered complete and will not be placed on a waiting list.

Applicants may be advised that they can be placed on more than one of the AHA's waiting lists, which serve the AHA's tenant-based Housing Choice Voucher programs and Project-Based Voucher units. [However, in many instances, the AHA will perform a random lottery for its waiting lists, and the family will be placed only on the waiting list\(s\) for which the family was randomly selected and not all waiting lists for which the family applied.](#)

For targeted outreach efforts, if it has been determined that there is a specific need for Applicants for a specific program, or unit size/type, the waiting list may be opened only for Applicants to that program or unit size/type. Applications for any special program will only be accepted from those applicants that meet the criteria for the specific targeted population.

The Housing Authority will inform Applicants about available preferences when the Applicants receive applications and will give Applicants an opportunity to show that they qualify for available preferences. If an applicant submits an otherwise complete application but does not answer a question related to claiming a preference with an affirmative answer, that preference will not be applied. If the applicant later supplies a

response or claims a preference, the applicant's record will be updated accordingly. The Housing Authority will not add preferences proactively; ~~in other words,~~ the Housing Authority will not add a preference that a family has not claimed.

Applicants will be notified of the requirement to submit evidence of citizenship or eligible immigration status.

Completed applications will be accepted for all applicants and the Housing Authority will verify the information. The completed application will be date and time stamped upon its return to the Housing Authority to document when the AHA actually received the application if paper applications are accepted. Applications mailed to designated external locations will be retrieved by the AHA and date/time stamped daily. Online applications will be electronically logged as to date and time received. However, ~~the~~ is date and time received will not be applicable to the randomization of ~~the~~ at the waiting list. A lottery will randomize all pre-applications received and only a specified number of applications will be selected at random for addition to the waiting list.

Persons with disabilities who require reasonable accommodation in completing an application may contact the Housing Authority to make special arrangements. An accommodation cannot bypass the random selection but is appropriate for assistance with the submission of an application into the random lottery. The Housing Authority uses the California relay system for individuals who are hearing impaired.

The application process involves two phases. The first phase involves placement of the family on the waiting list. This process requires the family to declare any preferences to which they may be entitled and the family's income, household size and any applicable special needs.

In the event two or more Applicants with identical preferences are eligible for placement on the waiting list, their order of placement will be determined by the order in which the family was randomly selected in the lottery process or the date and time of application if a lottery was not conducted.

The second phase is the final determination of eligibility, which takes place when the family nears the top of the waiting list. The Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the assistance program.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

Elderly and Disabled Populations [24 CFR 8 and HCVGB ELIGIBILITY DETERMINATION AND DENIAL OF ASSISTANCE PG. 21]

The AHA must take a variety of steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard AHA application process. This could include people with disabilities, ~~certain elderly individuals,~~ as well as persons with limited English proficiency (LEP). The AHA must provide reasonable accommodation to allow equal access of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or the AHA must provide an alternate approach that provides full access to the application process.

Chapter 2 provides a full discussion of the AHA’s policies related to providing reasonable accommodations for people with disabilities.

DRAFT

Limited English Proficiency

PHAs are required to take reasonable steps to ensure meaningful access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the AHA's policies related to ensuring access to people with limited English proficiency (LEP). The AHA will take steps to ensure its process is accessible to individuals with LEP.

4-I.D. PLACEMENT ON THE WAITING LIST

The AHA must review each complete application received and make a preliminary assessment of the family's eligibility. The AHA must accept applications from families for whom the list is open [24 CFR 982.206(b)(2)] unless there is good cause for not accepting the application (such as denial of assistance because of action or inaction by members of the family) for the grounds stated in the regulations [24 CFR 982.552 and 982.553]. Where the family is determined to be ineligible, the AHA must notify the family in writing [24 CFR 982.201(f)]. E-mail notification can fulfill this requirement. Where the family is not determined to be ineligible, the family will be placed on a waiting list of applicants.

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR 982.202(c)].

Ineligible for Placement on the Waiting List

If the AHA can determine from the information provided that a family is ineligible, the family will not be placed on the waiting list. Where a family is determined to be ineligible, the AHA will send written notification of the ineligibility determination within 14 calendar days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review and explain the process for doing so (see Chapter 15). E-mail notification can fulfill this requirement.

Eligible for Placement on the Waiting List

When the family is selected for placement on the waiting list, either by acceptance of an application in a general opening of the list or by lottery selection, the Housing Authority will notify the family in writing of placement on the waiting list. E-mail notification can fulfill this requirement.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility will be made when the family is selected from the waiting list.

The order of placement within each preference point category will be determined by the order in which the family was randomly selected in the lottery process or the date and time of application if a lottery was not conducted.

PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The AHA must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing

the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how a PHA may structure its waiting list and how families must be treated if they apply for assistance from a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST [24 CFR 982.204 AND 205]

The AHA's HCV and PBV waiting lists must be organized in such a manner to allow the AHA to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

A waiting list must contain the following information for each applicant listed as a minimum:

- Applicant name;
- Date and time of application;
- Qualification for any local preference; [and](#)
- Racial or ethnic designation of the head of household.

In addition to the HCV tenant-based waiting list, the AHA maintains project-based waiting lists grouped by common unit types and similar bedroom size. All PBV waiting lists will be referred to as "grouped" even if the list only covers one site. The AHA maintains the following waiting lists:

- HCV Program (Section 8 tenant-based programs)
- PBV Program - Elderly Properties (Anne B. Diament Plaza, Lincoln Willow, [and Littlejohn Commons](#), [Independence Plaza \(non-RAD units\)](#), and [Linnet Corner \[2025\]](#))
- PBV Program - Supportive Services for Disabled (Jack Capon Villa)
- PBV Program - Supportive Services (Park Alameda Apartments)
- PBV Program - Supportive Services for Homeless (Alameda Point Collaborative Property)
- PBV Program - Single/Family units ~~sized 0 to 2 bedrooms~~ ([Shinsei Gardens](#), [Breakers at Bayport](#), [China Clipper](#), [Esperanza](#), [The Estuary I \[2025\]](#), [Everett Commons](#), [Parrot Village](#), [Rosefield Village](#), [Shinsei Gardens](#), [Stanford House](#), [Stargell Commons](#), [The Starling](#), and [Rosefield Village](#))
- ~~PBV Program - Family units sized 3 and above (Shinsei Gardens, Breakers at Bayport, China Clipper, Esperanza, Parrot Village, Stanford House, The Starling, and Rosefield Village)~~
- [PBV Program – Faircloth to RAD \(Independence Plaza units assisted under the AHA's Faircloth to RAD initiative\)](#)

If a family applies for assistance under the HCV program, the family will be offered the opportunity to be placed on the waiting list [\(if all applicants are being placed on the waiting list\) or in the random lottery \(if families will be randomly selected for placement on the](#)

[waiting list](#)) for any project-based voucher or moderate rehabilitation program the AHA operates if:

- 1) The other program's waiting lists are open, and
- 2) The family is qualified for the other programs.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

The AHA will not merge the HCV waiting list with the waiting list for any other program the AHA operates. The AHA will offer applicants on the HCV waiting list the opportunity to be added to newly created site- or program-specific waiting lists. HCV applicants will be notified of the opportunity. E-mail notification can fulfill this requirement.

4-II.C. OPENING AND CLOSING THE WAITING LIST [24 CFR 982.206]

Closing the Waiting List

The AHA will close a waiting list if it has an adequate pool of families for the applicable program. Generally, this will be when the wait for applicants reaches 12 months for the most current applicants. Alternatively, the AHA will continue to accept applications only from certain categories of families that meet particular preferences or funding criteria.

The tenant-based waiting list is always open to an otherwise eligible applicant that:

- is eligible as set forth by a HUD award of funding to the AHA for a targeted category of Section 8 eligible families (see Section 4-III.B. Targeted Funding); or
- is an emancipated youth currently receiving housing assistance from AHA pursuant to HUD's Family Unification Program (FUP) regulations effective 2009 or later who, as determined by the Alameda County Social Services Agency, has successfully graduated from FUP and has been referred to the AHA by Alameda County Social Services;
 1. Eligible FUP graduates must be in good standing with the AHA. Good standing is defined as not in violation of Program regulations, not delinquent in paying rent to owner and does not owe a PHA money.
 2. Eligible FUP graduates must be in good standing with the Alameda County Social Services Agency and have met all case management obligations.
 3. Qualifies for the Terminated Preference (see 4-III.C). Subject to the approval of the Executive Director, FUP eligible graduates will be certified for HCV participation 60 days prior to the end date of the 36-month FUP participation deadline. The Housing Choice Voucher will be effective on the first _____day following the 36-month FUP participation deadline.

FUP graduates must request HCV participation within thirty (30) days from the end of the 36-month FUP participation deadline. Failure to request HCV participation within this time period may result in denial of assistance.

The project-based voucher grouped site-based waiting lists are always open to an otherwise eligible applicant that:

- is Displaced as defined in Section 4.III.C of this chapter, or
- is a *PBV In-Place Family* living in a Project-Based Voucher contract unit approved by the AHA:

Reopening the Waiting List

If the waiting list has been closed, it cannot be reopened until the AHA publishes a notice in local newspapers of general circulation, minority media, and other suitable media outlets. The notice must comply with HUD fair housing requirements and must specify who may apply, and where and when applications will be received.

The AHA will announce the reopening of the waiting list prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

The AHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

- Alameda Journal,
- Local minority media,
- Local government cable access TV channel; and
- AHA web site and office.

Fair Housing and Equal Opportunity

Refer to Chapter 2 of the Administrative Plan for additional information on non-discrimination, policies related to persons with disabilities, improving access to services for persons with limited English proficiency, and the definition of a person with a disability under federal civil rights laws.

4-II.D. FAMILY OUTREACH

The AHA will conduct outreach as necessary to ensure that the AHA has a sufficient number of applicants on the waiting list to use the resources available.

Because HUD requires the AHA to serve a specified percentage of extremely low-income families (see Chapter 4, Part III), the AHA may need to conduct special outreach to ensure that an adequate number of such families apply for assistance

The AHA will make a special outreach effort to those groups identified in the Consolidated Plan as most in need of affordable housing.

AHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

AHA outreach efforts will be designed to inform qualified families about the availability of assistance under its programs. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms [or links](#) to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

The AHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the AHA's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

While the family is on the waiting list, the family must inform the AHA of changes in contact information, including current residence, mailing address, e-mail address and phone number as soon as possible. Failure to notify the AHA of changes in contact information may result in the AHA being unable to contact the family during a waiting list update or to offer assistance. The family may update contact information through the AHA's online applicant portal which can be accessed through the AHA's website www.alamedahsg.org. The family must also report changes in household composition or circumstances and any significant changes in income, which could affect the applicant's eligibility, the size or type of unit needed, or the applicant's priority for admission. All changes must be submitted in writing and the AHA may require this to be done on-line unless waived as a reasonable accommodation.

4-II.F. UPDATING A WAITING LIST [24 CFR 982.204]

The AHA has established policies to use when removing applicant names from a waiting list.

Purging the Waiting List

The waiting list will be updated periodically to ensure that all applicants and applicant information are current and timely.

HUD rules do not describe specific procedures to purge a waiting list. However a purge begins with a standardized mailing or e-mailing to waiting list applicants, requiring a verification of continued interest. Applicants must comply with the instructions in the notice and provide all requested information needed for continued placement on the waiting list, such as address and phone number, household composition, income, and type of preference(s) claimed. The update request will provide a deadline by which the requested form or information must be returned, and clearly explain what will happen if the response is not received by the deadline date. The collection of this form may be in an electronic format at the AHA's prerogative. If no response is received by the deadline,

the applicant is removed from the waiting list. If a notice is returned by the post office, the applicant will be removed from the waiting list without further notice.

If a family is removed from the waiting list for failure to respond, the family may be reinstated if they submit a written request within 90 days of the date of the update request letter. If more than 90 days have passed, the Executive Director or his/her designee may reinstate the family if s/he determines the lack of response was due to AHA error, or to circumstances beyond the family's control.

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list may be subject to reasonable accommodation. If the applicant did not respond to an AHA request for information or updates because of the family member's disability, the AHA must reinstate the applicant family to their former position on the waiting list [24 CFR 982.204(c)(2)].

Remove from the Waiting List

If at any time an applicant family is on a waiting list, the AHA determines that the family is not eligible for assistance for one or more specific programs (see Chapter 3), the family will be removed from the applicable waiting list or lists. Families will be removed from the HCV tenant-based assistance waiting list in direct response to a family's failure to comply with AHA requirements for participation in the HCV Program and because the family fails to meet the eligibility requirements of the HCV program. The AHA must provide reasonable accommodation to allow equal access of individuals with disabilities.

If a family is removed from the waiting list because the AHA has determined the family is not eligible for assistance, a notice will be sent to either the e-mail provided by the family or the family's address of record. The notice will state the reasons the family was removed from the waiting and will inform the family how to request an informal review of the AHA's decision (see Chapter 15) [24 CFR 982.201(f)].

PART III: SELECTION FOR ASSISTANCE

4-III.A. OVERVIEW

As vouchers or PBV units become available, families on a waiting list will be selected for assistance in accordance with the policies described in this part.

The order in which families receive assistance from the waiting list depends on the selection method chosen by the AHA and is impacted in part by any selection preferences for which the family qualifies. The source of funding also may affect the order in which families are selected from the waiting list.

The AHA will maintain a clear record of all information required to verify that the family is selected from the waiting list according to the AHA's selection policies [24 CFR 982.204(b) and 982.207(e)].

4-III.B. SELECTION AND FUNDING SOURCES

Special Admissions [24 CFR 982.203]

HUD may award funding for specifically named families living in specified types of units (e.g., a family that is displaced by demolition of public housing). In these cases, the AHA may admit families that are not on the waiting list, or without considering the family's position on the waiting list. The AHA must maintain records showing that such families were admitted with special program funding.

Targeted Funding [24 CFR 982.204(e)]

HUD may award the AHA funding for a specified category of families on the waiting list. The AHA must use this funding only to assist the families within the specified category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

The AHA administers the following types of targeted funding:

- Mainstream Program
- Shelter Plus Care Program
- Bessie Coleman Mod Rehab Program
- Family Unification Program
- Veterans Affairs Supportive Housing (VASH)
- Emergency Housing Vouchers (EHV)
- Stability Vouchers

Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the HCV or any of the PBV waiting lists. In the case of a funding shortage, however, PBV assistance will be provided before HCV assistance. Families are selected from the waiting list according to the policies provided in Section 4-III.C.

4-III.C. SELECTION METHOD

The AHA will describe below the method for selecting applicant families from the waiting list, including the system of admission preferences that will be used [982.202(d)] in the following sections.

When a vacancy exists at a PBV site, the AHA will notify the next families on the applicable waiting list. The AHA's letter to the applicants also will state that if the applicant is interested in residing in the vacant PBV unit, that the applicant will not lose her or his place on the AHA's HCV waiting list.

~~All~~ Applicants indicating interest in the PBV unit ~~will~~ may be prescreened by the AHA for Section 8 eligibility. ~~and~~ Applicants will be referred to the owner in the order in which the screening has been completed or by position number if AHA and owner screening are completed simultaneously. However, if the tenant selection criteria of the owner include screening for credit and criminal background, these procedures may be performed prior to completion of the full assistance eligibility process. If, on the basis of property owners screening for suitability, including, the credit and criminal background screening process, the owner will not offer tenancy to the applicant, the AHA will not complete the voucher

eligibility process and the applicant will be removed from the selected grouped site-based project-based waiting list and sent a notice to this effect.

Waiting list referrals to the PBV owner [maywill](#) remain active for consideration for a PBV vacancy for a period of 120 days from the date of selection from the waiting list. Referred tenants will be screened by the owner and readied for occupancy. If the owner provides documentation of outreach to all applicants at the same time, first ready, is first referred back to the AHA for eligibility determination and leasing. Any abnormalities in outreach will result in owners being required to process in waiting list order. Readiness is defined to mean having met all of the owner's screening criteria and accepted for tenancy.

In the event that multiple families are made ready for a PBV unit, as a tie breaker for who is assigned the unit, the family who has the highest rank from the referral list of all "ready" families will be processed by the AHA for eligibility determination and offered the available unit.

An owner may continue to work on suitability screening for up to three families from the latest referral list in anticipation of any additional vacancies that may arise during the 120-day referral period. The AHA [willmay](#) also continue the eligibility process for any family made ready by the owner. [The AHA will return the family to the waiting list if it is a grouped waiting list and other vacancies are anticipated.](#)

If no unit is scheduled to be vacated by an existing tenant or there are no impending vacancies prior to the expiration of the 120-day period, all unassigned referrals will be returned to the project's PBV waiting list. If there are vacancies at other PBV units on the same waiting list, the family may be referred to the second owner or returned to the waiting list earlier than the 120-day period.

If the AHA referrals do not provide the PBV owner with a suitable tenant for the unit and the waiting list is exhausted, the owner may refer a Section 8 eligible individual or family to the AHA's grouped site-based PBV waiting list if it is open. The referred family must meet the AHA's Section 8 eligibility criteria. See chapter 16 for other options when the waiting list is exhausted.

If any PBV waiting list has been exhausted, and prior to opening the waiting list for targeted outreach, the AHA may query HCV tenants to see if any tenant-based assisted household is interested in a PBV unit. Admission to the PBV program for HCV Tenants will be on a first ready, first served basis. Any additional HCV tenant families interested in PBV units will be informed that the unit(s) has been leased and no further action will be taken on their behalf.

PBV Waiting list applicants shall have priority over all HCV assisted tenants for PBV units.

PBV units approved under the Request for Proposals to [supplybuild](#) units for VASH-eligible households can only be filled with families referred by the VA as allowed under the VASH program. As [these VASH tenant-based and project-based](#) families are referred by the VA, the VA maintains all waiting lists for this program.

Local Preferences and Point Values [24 CFR 982.207; [HCV p. 4-16](#)]

HUD allows housing authorities to establish local preferences, and the AHA has established local preferences, that give priority to serving families that meet those criteria.

All local preferences are consistent with the AHA plan and the consolidated plan, and are based on local housing needs and priorities that are documented by generally accepted data sources.

The AHA has established local preferences for the HCV Program, the PBV Program at the Alameda Point Collaborative (APC) Property, the PBV Program at Jack Capon Villa (JCV), the PBV Program at Park Alameda (PA), [the Faircloth to RAD PBV Program](#), and the PBV Program at all other sites.

These preferences and their point values are:

HCV Program

FUP Graduates (25 Points)

~~Displaced (9 points)~~ [Special Provisions \(12 points\)](#)

~~Displaced (9 points)~~ ~~Special Provisions (8 points)~~

Terminated (7 points)

[Senior \(25 points\)](#)

[Displaced \(9 points\)](#)

[Terminated \(7 points\)](#)

[Residency \(6 points\)](#)

[Family \(3 points\)](#)

Veteran (2 points)

Preference points are aggregated to produce the total preference points for each applicant. Applicants with the same total preference points will then be sorted by the method in which they were selected to be placed on the waiting list (i.e., date and time of application or order of random selection). Applicants that have been randomly selected for placement on a waiting list must contact the AHA to notify staff of any change in status. If an applicant submits a change in status that results in a change in preference, the preference must be verified prior to any change in placement on a waiting list. Changes to preference points will be applied to the next available waiting list pull.

FUP Graduates. Emancipated Youth assisted with Family Unification Program (FUP) funding pursuant to FUP regulations dated 2009 or later who were given rental assistance for a fixed term of thirty-six months who are now aging out of that thirty-six-month period and referred by Alameda County Social Service for assistance under the HCV Program. Admissions are limited to five per calendar month for this preference subject to availability of vouchers.

Displaced. Special Admissions are explained in 4-III.B and qualification for the displaced preference is not qualification for a Special Admission. Applicants eligible for the displaced preference must meet one of the following criteria in order to receive the preference points.

A person or persons whose dwelling in AHA's jurisdiction (the City of Alameda), as determined by AHA:

- Has been destroyed, rendered uninhabitable or projected to be uninhabitable for at least 180 days from the date of displacement as a result of action or inaction by a landlord in response to a disaster declared by the Federal Government or the State of California—provided that the family was meeting all conditions of occupancy at the time of its occurrence; or
- Has been, or will be, rendered legally or functionally uninhabitable for, at least, 180 days from the date of displacement as a result of redevelopment activity or actions invoking the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Uniform Relocation Act) or Section 104(d) of the Housing and Community Development Act (HCD).

At the time of application, an applicant must be displaced within 120 days of application to qualify for this preference. Applicants on a waiting list are eligible for this preference if they experience displacement after the time of application and prior to being housed upon verification as outlined above.

As of the date that AHA selects the applicant for housing assistance from its waiting list, contingent on AHA's verification of the family's application information, is not living in standard, permanent replacement housing.

- (1) Standard, permanent replacement housing is defined as housing that is decent, safe, and sanitary according to Housing Quality Standards and State and local housing code that is adequate for the family size according to Housing Quality Standard and

State and local code, and that the family is occupying pursuant to a written or oral lease or occupancy agreement.

- (2) Standard, permanent replacement housing does not include transient facilities, hotels, motels, temporary shelters and, in case of Victims of Domestic Violence, housing occupied by the individual who engages in such violence. It does not include any individual imprisoned or detained pursuant to State Law or an Act of Congress. Shared housing with family or friends is not considered temporary and is considered standard, permanent replacement housing.

Applicants on any waiting list who claim a preference for being displaced pursuant to the definition above must present third-party evidence of displacement at the time when selected for certification. Failure to present documentation to validate displacement will result in the loss of preference and return to the waiting list.

In Place. Eligible residents who reside in units at the time of the PBV property owner's proposal selection date for Project-based assistance.

Special Provisions. There are two categories of Special Provisions Applicants:

- Applicants who are residents residing in units owned and/or managed by the AHA and who are over-housed or underhoused and for whom there is no appropriate unit in the complex where they live and only with the approval of the Executive Director.
- Family Unification Program (FUP)-eligible families and FUP-eligible youths to which the AHA intends to issue FUP vouchers with available funding provided by HUD for this purpose. [Note: This previously was a separate preference.]

Supportive Services at APC is defined as: Families with a person or more than one person with disabilities offered at Alameda Point Collaborative (APC) in need of supportive services for the homeless or persons/families at risk of homelessness.

Supportive Services at JCV is defined as: Families with a person or more than one person with disabilities in need of the supportive services offered at Jack Capon Villa.

Voluntary, Disability-Specific Supportive Services at Park Alameda is defined as: Persons with disabilities eligible for the disability-specific supportive services offered by Park Alameda under a Ryan White grant from Alameda County. Participation in these services is voluntary, but the family will receive the preference points for being eligible for the services. This preference is allowable under HOTMA regulations. This preference will be limited to the 9 units at Park Alameda specified under the HAP contract as excepted units because the units are specified for families with members with disabilities.

Terminated. Section 8 participants who have been terminated by AHA due to over-leasing or lack of federal funding. At the time a participant is terminated due to over-leasing or lack of federal funding, that person's name will automatically be placed on the waiting list and given the appropriate preference. If more than one family is terminated under the same action, the families will be placed on the AHA's waiting list in a randomly selected order.

Residency. This residency preference is limited to the jurisdictional boundaries of the city of Alameda. Use of the residency preference will not have the purpose or effect of

delaying admission to the program based on the race, color, ethnic origin, gender, religion, disability, or age of any member of an applicant family. Applicants who live or work in Alameda, or applicant families including at least one adult member who lives or works in Alameda, at the time of application or during the time on a waiting list qualify for this preference. For homeless applicants, this preference will apply if the applicant had been living in Alameda prior to becoming homeless.

Family. A family including a member 62 years of age or older or a person with disabilities. This revised definition is effective for families whose application was received after November 20, 2014.

Veteran. A member of the military, a veteran who was discharged or released under conditions other than dishonorable, or a surviving spouse (as defined by the Department of Veteran Affairs.)_Providing these preference points for a veteran, preference is given to veterans within each preference category for which the veteran is eligible.

Senior. [A family whose head of household, co-head/spouse, or sole member is person 62 years of age or older.](#)

At the time of initial application, the applicant certifies as to whether or not it is eligible for a preference, and the AHA will place the applicant on the waiting list according to the preference claimed. Preferences which are critical for proper placement on a particular waiting list may be verified prior to placement on the waiting list and again at time of selection. All other preferences will be verified at the time of selection, and when a change in status is submitted, based on the family's current circumstances. Before the family receives assistance the AHA must verify the family's eligibility for the preference based on current circumstances. If upon verification the AHA determines that the family does not qualify for the preference claimed, the family does not receive the preference. In this situation, the AHA will notify the applicant in writing that they do not qualify for the preference and will be returned to the waiting list with an update to the applicant record.

Income Targeting Requirement [24 CFR 982.201(b)(2)]

HUD requires that extremely low-income (ELI) families make up at least 75% of the families admitted to the HCV and PBV program during the AHA's fiscal year. ELI families are those with annual incomes at or below 30% of the area median income. To ensure this requirement is met, AHA may skip non-ELI families on the waiting list in order to select an ELI family.

Low-income families admitted to the program that are "continuously assisted" under the 1937 Housing Act [24 CFR 982.4(b)], as well as low-income or moderate-income families admitted to the program that are displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing, are not counted for income targeting purposes [24 CFR 982.201(b)(2)(iv)].

The AHA will monitor progress in meeting the ELI requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income-targeting requirement is met.

The admission of applicants who qualify for the absolute In Place preference is not subject to income-targeting [24 CFR 983.251(b)(24)].

Order of Selection

For families placed on a waiting list, under the AHA system of preferences, the AHA will select families with the highest number of preference points and then by the random selection process [24 CFR 982.207(c)] or date/time of application as specified in the notice of waiting list opening. The AHA will select families from the targeted funding or selection preferences for which they qualify, and in accordance with the AHA's hierarchy of preferences [24 CFR 982.204(ab) and (e)]. Based on the pre-determined methodology at the time of application, within each targeted funding or aggregate preference total, families will either be selected from the waiting list on a first-come, first-served basis according to the date and time their complete application is received by the AHA or by their randomly selected order at the time of application. When there is a funding shortage, PBV units will be filled prior to issuance of new vouchers under the HCV program.

The AHA will maintain documentation as to whether families on the list qualify for and are interested in targeted funding. If a higher placed family on the waiting list is not qualified or not interested in targeted funding, there will be a notation maintained so that the AHA does not have to ask higher placed families each time targeted selections are made.

For grouped site-based waiting lists (i.e., PBV), applicants will be removed from the waiting list if they are non-responsive to or refuse an offer of a unit for sites housed under the waiting list. Exceptions will be considered on a case by case basis by the Executive Director or designee for various reasons to include: lease commitment issues, sequestered jurors, medical emergencies that prevent moving at that time, or death of a family member. All requests for exceptions must be made in writing.

4-III.D. NOTIFICATION OF SELECTION

When a family/applicant has been selected from the waiting list, the AHA must notify the family/applicant.

The AHA will notify the family/applicant by first class mail or e-mail when it is selected from the waiting list. The family/applicant will be sent a packet of forms or a link to the packet on Rent Café to be completed and returned by a specified date.

If a notification letter is returned to the AHA, the family/applicant will be removed from the waiting list. A notice of denial (see Chapter 3) will be sent to the family's address of record.

If the family/applicant does not respond to the selection notification letter, the family/applicant will be removed from the waiting list from which they were selected. A notice of denial (see Chapter 3) will be sent to the family's address of record.

4-III.E. THE APPLICATION INTERVIEW

HUD recommends that the AHA obtain the information and documentation needed to make an eligibility determination through a private interview. Being invited to attend an interview does not constitute admission to the program.

Reasonable accommodation will be made for persons with disabilities who are unable to attend an interview due to their disability.

Families selected from the waiting list, who have returned the required documentation, will be scheduled for an eligibility interview. The AHA will notify the family by first class mail or e-mail with the following information:

- Date, time and location of the scheduled application interview, including any procedures for rescheduling the interview;
- Who is required to attend the interview;
- Documents that must be provided at the interview to document the legal identity of household members, including information about what constitutes acceptable documentation; and
- Any other documents and information that should be brought to the interview.

All adults in the household must attend the initial certification interview unless there is an extenuating circumstance and approval has been received from AHA. Verification of information pertaining to adult members of the household not present at the interview will not begin until signed release forms are returned to the AHA.

The interview will be conducted only if the head of household or spouse/cohead provides appropriate documentation of legal identity. (Chapter 7 provides a discussion of proper documentation of legal identity.) If the family representative does not provide the required documentation, the appointment may be rescheduled when the proper documents have been obtained.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, the AHA will provide the family with a written list of items that must be submitted.

Any required documents or information that the family is unable to provide at the interview must be provided as soon as possible. (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status.) If the family is unable to obtain the information or materials timely (normally within 14 calendar days), the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (See Chapter 3). Families will be processed in the order that the AHA receives all documents from the family and the file is complete at this stage. For families whose documents are received at the same time, the original position number will break ties. The AHA will not delay processing other complete files if the family has not provided all required documents or information.

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

~~Interviews will be conducted in English.~~ For limited English proficient (LEP) applicants, the AHA will provide translation services in accordance with the AHA's LEP plan.

If the family is unable to attend a scheduled interview, the family should contact the AHA in advance of the interview to schedule a new appointment. If a family does not attend a scheduled interview, the AHA will send another notification letter with a new interview

appointment time. Applicants who fail to attend two scheduled interviews without AHA approval will be denied assistance based on the family's failure to supply information needed to determine eligibility. A notice of denial will be issued in accordance with policies contained in Chapter 3.

4-III.F. COMPLETING THE APPLICATION PROCESS

The AHA must verify all information provided by the family (see Chapter 7). Based on verified information, the AHA must make a final determination of eligibility (see Chapter 3) and must confirm that the family qualified for any special admission, targeted admission, or selection preference that affected the order in which the family was selected from the waiting list.

If the AHA determines that the family is ineligible, the AHA will send written notification of the ineligibility determination within 14 calendar days of the determination. The notice will specify the reasons for ineligibility and will inform the family of its right to request an informal review (Chapter 15).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to the waiting list with original time/date or randomized position and revised preferences, if appropriate. The AHA will notify the family in writing that it has been returned to the waiting list and will specify the reasons for it.
