

# PHA Name : City Of Alameda Housing Authority

**PHA Code :** CA062

**MTW Supplement for PHA Fiscal Year Beginning :** (MM/DD/YYYY): 7/1/2023

**PHA Program Type:** Housing Choice Voucher (HCV) only

**MTW Cohort Number:** Landlord Incentives

**MTW Supplement Submission Type:** Annual Submission

## **B. MTW Supplement Narrative.**

The primary goal of the Housing Authority of the City of Alameda (AHA), in partnership with the entire community, is to advocate and provide quality, affordable, safe housing; encourage self-sufficiency; and strengthen community inclusiveness and diversity in housing. AHA's Vision Statement is: "The Housing Authority of the City of Alameda shall continue to be recognized for creatively seeking ways to expand the availability of affordable housing through Alameda, for caring professional staff, and excellent service provided fairly to all".

During participation in the Landlord Incentives Cohort the AHA will be using creative methods to encourage new landlord participation and continued landlord partnerships expanding housing choice for all voucher holders. During this cohort study, the AHA will continue to develop and maintain quality affordable housing for low-income residents, providing more housing choice along the entire spectrum of housing continuum. The AHA would like to design, implement, and sustain exceptional programs that invest in the residents to become self-sufficient through an array of educational, employment, and economic platforms including exploring the possibility of offering incentives to families to participate in training programs or increasing the ability of participants to attend community college or universities.

The AHA will strive to further the MTW statutory objective to reduce cost and achieve greater cost effectiveness in federal expenditures by continuing the activities proposed for FY 2022-2023 and adding a streamlining of processing Project-Based Voucher rent increases. The AHA will strive to further the MTW statutory objective to give incentives to families with children whose heads of household are either working, seeking work, or are participating in job training, educational or other programs that assist in obtaining employment and becoming economically self-sufficient by continuing the activities proposed for FY 2022-2023.

The AHA proposes to use MTW funds flexibly to increase housing choice through acquisition, rehabilitation, and/or development. AHA may use MTW funds flexibly to make Faircloth-to-RAD transactions feasible to supplement RAD rents as housing assistance payments; to pay for acquisition, rehabilitation or construction costs or contributing to development costs in another manner; or to increase housing choices for low-income families by using its 120-unit Faircloth-to-RAD authorization to produce additional project-based vouchers.

**C. MTW Activities Plan that City Of Alameda Housing Authority Plans to Implement in the Submission Year or Is Currently Implementing**

<b>1.w. - Alternative Income Inclusions/Exclusions (HCV)</b>
<p><b>Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative</b></p> <p>The Housing Authority of the City of Alameda would like to exclude a certain form of participant income during the income review and rent calculation process so that participants can benefit from certain forms of income without the income having an impact on their rent calculation. The AHA will exclude the Guaranteed Basic Income Pilot Program, which is a City of Alameda initiative to provide a flat monthly cash payment of \$1,000 to approximately 150 low-income City of Alameda households over a two-year period. The AHA would like to exclude these payments from the income review and rent calculation process of applicant or participant receiving these payments.</p>
<p><b>Which of the MTW statutory objectives does this MTW activity serve?</b></p> <p>Self-sufficiency</p>
<p><b>What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.</b></p> <p>Increased expenditures</p>
<p><b>Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?</b></p> <p>The MTW activity applies to all assisted households</p>
<p><b>Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.</b></p> <p>Not applicable.</p>

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

**What inclusions or exclusions will be eliminated, modified, or added?**

Guaranteed Basic Income Pilot Program - City of Alameda

**2.b. - Payment Standards- Fair Market Rents (HCV)**

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-01: The Housing Authority of the City of Alameda strives to house families in a small community in the Bay Area. The area is perceived to be one with good schools, high quality local businesses, picturesque neighborhoods, and a caring, involved community resulting in families wanting to rent or buy in the area resulting in high housing costs and limited housing choice. Payment standards set at 150% of FMR will hopefully allow the market to cap rents through rent reasonableness testing and not the payment standards.

If the payment standard amount is increased during the term of the HAP contract, the increased payment standard amount shall be used to calculate the monthly housing assistance payment for the family beginning at the effective date of the family's first regular reexamination on or after the effective date of the increase in the payment standard amount.

The Alameda Housing Authority is seeking to Waive: 24 CFR 982.505 (c) (4), which falls under 2.b. MTW waiver, 2.b. Payment Standards – Fair Market Rents (HCV). CFR982.503-505 and 983.301. This request will allow owners to request rent increases during the HAP contract.

**Which of the MTW statutory objectives does this MTW activity serve?**

Housing choice

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Increased expenditures

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies to all assisted households

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does this MTW activity require a hardship policy?**

Yes

This document is attached.

**Does the hardship policy apply to more than this MTW activity?**

No

**Has the MTW agency modified the hardship policy since the last submission of the MTW Supplement?**

No

**How many hardship requests have been received associated with this activity in the past year?**

No hardship were requested in the most recent fiscal year.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

Yes

**What is the status of the Safe Harbor Waiver request?**

The waiver was previously approved.

**Please describe the extent to which the Safe Harbor Waiver is supporting the MTW agency's goal in implementing this MTW activity.**

The Safe Harbor Waiver allows the agency to increase its payment standard range to be between 80% and 150% which allows for a greater variety in housing options for program participants.

**Does the MTW activity require an impact analysis?**

Yes

This document is attached.

**Does the impact analysis apply to more than this MTW activity?**

No

**Please explain the payment standards by FMR:**

The agency may apply a payment standard up to 150% of FMR.

### **3.b. - Alternative Reexamination Schedule for Households (HCV)**

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-02: Reducing family's responsibility to provide income documentation from annually to tri-annually results in less caseworkers needed to process annuals that result in minimal rent changes. Allows stability in rent for tenants and landlords. Families receiving zero income or less than \$5,000 per adult annually in income, living in Mod Rehab SRO, Shelter Plus Care, VASH, or EHV units will receive annual recertifications. AHA will check for families meeting these conditions twice a year (normally January and July) and schedule an annual reexamination as appropriate.

Income increase(s) resulting in an annual increase of \$10,000 needs to be reported. Increases of less than \$10,000 annually do not need to be reported between recertifications. Cumulative increases resulting in more than \$10,000 of income increases needs to be reported when the \$10,000 level is reached.

Families receiving the Earned Income Disallowance (EID) will receive interims to change their EID portion annually that will not count towards the limit.

Owners would still be able to request annual rent increases. These would be processed after a rent reasonableness test is conducted and would not count towards interim cap.

**Which of the MTW statutory objectives does this MTW activity serve?**

Cost effectiveness

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Increased expenditures

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies to all assisted households

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does this MTW activity require a hardship policy?**

Yes

This document is attached.

**Does the hardship policy apply to more than this MTW activity?**

No

**Has the MTW agency modified the hardship policy since the last submission of the MTW Supplement?**

No

**How many hardship requests have been received associated with this activity in the past year?**

No hardship were requested in the most recent fiscal year.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

**Does the MTW activity require an impact analysis?**

Yes

This document is attached.

**Does the impact analysis apply to more than this MTW activity?**

No

**What is the recertification schedule?**

Once every three years

**How many interim recertifications per year may a household request?**

2 or more

**Please describe briefly how the MTW agency plans to address changes in family/household circumstances under the alternative reexamination schedule.**

The family may request one interim per year for an income decrease or family composition change. Reports of income increases of more than \$10,000 do not count towards the interim limit. Involuntary household composition changes do not apply towards the interim limit, for example, reporting the death of a family member will not count towards the interim limit.

If the interim results in a decrease, the family must show that the gross income loss is going to significantly (greater than 10%) and long-term (more than 6 months) change the family's annual income going forward from the income used at the

last income calculation. No interim decreases will be processed during the first six months after initial occupancy.

If the family composition change is for an addition of an adult, then eligibility must be determined before an individual can move into the unit. The new adult family member's income will be added during the interim. Family composition changes for minors would be processed at the next triennial or when the household transfers. The family may request an interim for family composition changes once a year, including an increase in subsidy when the family is over-housed. Interims could be requested for additional adults to meet approved reasonable accommodations at any time.

The conditions of receiving a second interim decrease in one year are outlined in the Hardship Policy.

### 3.d. - Self-Certification of Assets (HCV)

#### **Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

Allow self-certification of participants on program up to \$50,000 in assets to reduce processing of minimal income from assets. Family must provide statement with any income earned on the assets under penalty of perjury. No other verification would be collected or required. Assets would be defined as in 24 CFR 5.609. Assets that the family does not have access to such as irrevocable trusts and 401K accounts would not count towards this asset limit. Applicants must establish assets and provide verification.

New assets under \$50,000 do not need to be reported between triennials.

Assets for all currently assisted households with a household asset total of less than \$50,000 sum to approximately \$1,900,000. These assets only generate a total across all assisted households of \$6,954 of annual income resulting in a total increase in total tenant payments from all participants of approximately \$2086 per year in additional rent due to these assets. This will be offset by the staff salaries of the time spent obtaining and reviewing verifications of lower amount assets. Households with more than \$50,000 in assets comprise 58% of total household assets. These households would still provide verification of the approximate \$2,700,000 in assets that generate approximately \$5,100 in asset income per year with participants paying a total of approximately \$1556 per year in higher rent due to asset income.

### 4.a. - Vacancy Loss (HCV-Tenant-based Assistance)

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-04: This activity is to incentivize landlords to participate in the HCV program in combination with activities 2022-05, 2022-06, 2022-07, and 2022-11.

As these activities are implemented to increase landlord participation in the program, units that are required to house voucher holders such as Project-Based Voucher units, ones with a regulatory agreement on the units, Tax Credit units, or ones owned by the Housing Authority are not included in this activity.

This allows the AHA to make a payment up to one month's rent payment to a landlord whose unit was vacated by a participant of the Housing Choice Voucher program and is occupied by a different participant of the Housing Choice Voucher program. The payment would be capped at the reasonable rent to owner minus any payments the owner received that month from any source. The payment would be made after the execution of the HAP contract.

**Which of the MTW statutory objectives does this MTW activity serve?**

Housing choice

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Increased expenditures

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies only to a subset or subsets of assisted households

**Does the MTW activity apply only to new admissions, only to currently assisted households, or to both new admissions and currently assisted households?**

New admissions and currently assisted households

**Does the MTW activity apply to all family types or only to selected family types?**

The MTW activity applies to all family types

**Does the MTW activity apply to all HCV tenant-based units and properties with project-based vouchers?**

The MTW activity applies to specific tenant-based units and/or properties with project-based vouchers

**Please describe which tenant-based units and/or properties with project-based vouchers participate in the MTW activity.**

It does not apply to PHA owned, LIHTC units, units with regulatory agreements, or Project-Based Voucher units

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

**Does this policy apply to certain types of units or to all units all HCV units or only certain types of units (for example, accessible units, units in a low-poverty neighborhood, or units/landlords new to the HCV program)?**

Certain types of units only

**What is the maximum payment that can be made to a landlord under this policy?**

One month rent.

**How many payments were issued under this policy in the most recently completed PHA fiscal year?**

0

**What is the total dollar value of payments issued under this policy in the most recently completed PHA fiscal year?**

\$0

**4.c. - Other Landlord Incentives (HCV- Tenant-based Assistance)**

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-05: This activity to incentivize landlords to participate in the HCV program in combination with activities 2022-04, 2022-06, 2022-07, and 2022-11.

As these activities are implemented to increase landlord participation in the program, units that are required to house voucher holders such as Project-Based Voucher units, ones with a regulatory agreement on the units, Tax Credit units, or ones owned by the Housing Authority are not included in this activity.

This activity allows the AHA to pay the landlord an incentive or more than one incentive to lease up a Housing Choice Voucher (HCV) program participant. The AHA would offer an array of incentives, but the total of all incentives paid to one landlord could not exceed more than one month of the contract rent of the unit and would be paid at the time of HAP execution. Landlord incentives are tied to each unit not to each landlord, so one landlord can receive one or more of the incentives, capped at one month of rent for each unit that the landlord leases to a program participant.

The proposed incentives are:

First-time Rental incentive: \$1,500

Accessible unit incentive: \$2,000

HQS incentive: \$100

Returning Landlord incentive: \$1,000

A first-time rental incentive would be paid to a landlord that is bringing a unit that has never been leased with the same landlord under the HCV program before. The accessible unit incentive would be paid to landlords providing a unit that meets or mostly meets the requirements for an ADA accessible unit to a family with a member with a disability. The HQS incentive would be paid to landlords whose unit passed an initial housing quality standards inspection the first time and resulted in a participant of the HCV program renting the unit. The returning landlord incentive would be paid to a landlord leasing a unit to an HCV participant that has been on the program prior.

Initial inspections of units can be conducted up to 90 days prior to unit lease-up to help incentivize landlords to participate in the program and avoid delays in leasing. Participants or landlords can request a special (interim) inspection at any time.

This activity has not yet been implemented but is expected to be implemented soon.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

The pre-inspection is valid for 90 days.

#### 5.d. - Alternative Inspection Schedule (HCV)

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-07: This activity to incentivize landlords to participate in the HCV program in combination with activities 2022-04, 2022-05, 2022-06, and 2022-11.

Require inspections only once every three years for private landlord units. Participants and landlords can request a special (interim) inspection at any time. A special inspection can be initiated by the AHA if it receives indications that the family's unit is not in compliance with HQS.

The inspections must still meet HQS inspection standards as found at 24 CFR 982.401. HUD must be able to conduct or direct the AHA to perform an inspection at any time for health and safety, as well as accessibility, purposes.

**Which of the MTW statutory objectives does this MTW activity serve?**

Housing choice

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Neutral (no cost implications)

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies to all assisted households

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

#### 9.a. - Increase PBV Program Cap (HCV)

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-08: Assisted families in the Housing Choice Voucher program frequently inquire how to move to

Project-Based Voucher (CAP) units and during the last wait list opening, numerous HCV families applied for the PBV wait lists indicating a desire to have a long-term contract with owners rather than a 1-year contract that can then be canceled with no reason. By project-basing more vouchers, more housing is secured for families without the threat of eviction.

This activity would raise the cap for which the AHA could award Project-Based Voucher contracts. The AHA currently has selections and/or HAP contracts for its entire allocation of PBV under the current caps.

**Which of the MTW statutory objectives does this MTW activity serve?**

Housing choice

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Neutral (no cost implications)

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies to all assisted households

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

**What percentage of total authorized HCV units will be authorized for project-basing?**

50.00%

**9.b. - Increase PBV Project Cap (HCV)**

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-09: Allows more than the greater of 25 units or 25% of the units at a complex to receive Project-Based Voucher assistance. Under current regulations, units that are for the elderly or those providing supportive services are already exempt from this cap. This activity would allow units that may not be serving the above populations to go above the cap up to 100% of the units at a project.

**Which of the MTW statutory objectives does this MTW activity serve?**

Housing choice

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Neutral (no cost implications)

**Does the MTW activity under this waiver apply to all assisted households or only to a subset or subsets of assisted households?**

The MTW activity applies to all assisted households

**Based on the Fiscal Year goals listed in the activity's previous Fiscal Year's narrative, provide a description about what has been accomplished or changed during the implementation.**

This activity has not yet been implemented but is expected to be implemented soon.

**Does the MTW agency need a Safe Harbor Waiver to implement this MTW activity as described?**

No

**9.c. - Elimination of PBV Selection Process for PHA-owned Projects Without Improvement, Development, or Replacement (HCV)**

**Describe the MTW activity, the MTW agency's goal(s) for the MTW activity, and, if applicable, how the MTW activity contributes to a larger initiative**

ACTIVITY 2022-010: This activity would allow the AHA to award project-based voucher units to a property owned by a single-asset entity (S.A.E.) of the AHA without engaging in a selection process. Currently, the AHA must open a Request for Proposals (RFP) to all interested owners when it awards PBV units. This process requires a significant amount of staff time to prepare the RFP, receive and organize proposals for review, score proposals, notify owners of the outcome, and track awards until execution of contract. This would allow the AHA to award vouchers without the RFP to units in the AHA's portfolio that qualify for PBV after conducting a Subsidy Layering Review, ensuring the property is compliant with HUD's site selection requirements, and having a 3rd party conduct HQS inspections of the units and in compliance with

PIH Notice PIH 2013-27.

**Which of the MTW statutory objectives does this MTW activity serve?**

Cost effectiveness

**What are the cost implications of this MTW activity? Pick the best description of the cost implications based on what you know today.**

Decreased expenditures
